# 2012 Noise Conference

One of Ontario's Premier Environmental Education and Networking Events!  
May 8, 2012 ♦ Four Points Sheraton Hotel ♦ Toronto Airport

## Sponsorship Opportunities

### Sponsors Will Easily Reach Senior Environmental Professionals.

Contributing to A&WMA-OS's Noise Conference provides an excellent opportunity to tie your corporate image to one of the province's premier environmental professional organizations. This A&WMA event brings together industry, regulators, and the technical community - all at a single location.

### Advantages of Contributing:

- Support a leading Ontario networking event for environmental professionals in all sectors.
- Showcase your organization at one of the industry's top provincial association events.
- Enhance your organization's position in the environmental industry.
- Achieve higher industry awareness with executives, regulators, and the technical community.
